EQUA Mead Learning Trust
Every Child, Every Chance

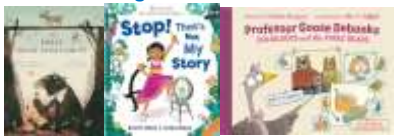

Curriculum Information
Moles and Robins
Term 2 2026/27

The Mead School

The Mead Wingfield

Writing

We will be reading *Three Billy Goats Gruff* by Marc Barnett & Jon Klassen, *The Princess and the Pea* by Rachel Isadora, *Stop! That's Not My Story!* by Smriti Halls and Erika Meza, and *Professor Goose Debunks Goldilocks and The Three Bears* by Paulette Bourgeois and Alex G Griffiths.

In our writing we will be:

- Retelling and responding to traditional tales
- Writing simple descriptive sentences about characters and settings
- Asking and answering questions about stories
- Comparing different versions of familiar tales
- Developing sentence writing using capital letters, finger spaces and full stops.

Maths

We will be learning to:

- Recognise number bonds to ten
- Introduce the children to subtraction and the related mathematical symbols
- Explore and record addition equations to ten and subtraction equations within 10, using different strategies such as jumping backwards on a number lone, crossing out and physically taking objects away

Phonics and spelling

Children will be learning and then applying the sounds they know into their writing which will correctly match those sounds they are able to read.

Children will continue to learn Year 1 common exception words.

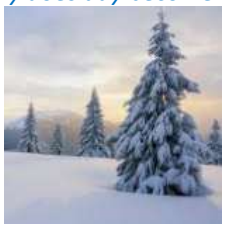

What was our school like in the past?

This term we will begin with a **history** focus to find out more about a time before we were born. We will be using photographs to find out what our school was like when it was built and when it first opened.

We will also be using old toys (artefacts) to find out what life was like in the past. This learning will be enriched with a visit to Trowbridge Museum.

Science - What is the weather like in winter?

We will be learning about the four seasons, weather symbols and the clothing appropriate for each season. We will be discussing and exploring the questions, *'why are days shorter in the winter and why does day become night?'*

Geography

In Geography, we will find Trowbridge on a map. We will look at aerial views of the school and the local area. We will create and draw maps of our school.

Art

In Art, we will continue to use sketch pencils to explore using lines marks to show tone and begin to draw realistic images using mammals as an inspiration.

Music

In music this term we will focus on learning the songs for our Christmas performance.

PE

During Term 1 and 2 the children will explore fundamental ball skills such as throwing & catching, rolling, hitting a target, dribbling and kicking. Having control of a ball is a vital skill in numerous sports and we will develop feel, skill and efficiency before other constraints are added. Both hands and feet will be used to develop co-ordination with hands, eyes and feet

Religion and World Views

We will be learning about Christianity and exploring why belonging to God and the church family is important to Christians. We will learn about christenings, stories of welcome from the Bible, and how being part of a church community helps Christians in their daily lives.

Computing

We will explore the world of digital art and its exciting range of creative tools. We will create our own paintings using these tools.
