Curriculum Information
Swans and Cygnets
Term 2 2026/27

English

We will be reading lots of fiction and non-fiction, including a range of **Traditional Tales.** We will also be reading a range of recipes in **Gruffalo Crumble and Other Recipes.**

In our writing, Year 1 will continue learning to:

- Use capital letters, finger spaces and full stops
- Orally rehearse and write sentences

Reception will take part in Drawing Club to practise their mark making skills.

Maths

We will be learning to:

- Count, recognise, write and represent numbers to 10
- Familiarise ourselves with number bonds to 8 (pairs of numbers that make 8)
- Add within 10 and learn to understand use the mathematical symbols + and =

Phonics and spelling

Children will be learning and applying sounds they know into their writing, which will correctly match those sounds they are able to read.

Children in Year 1 will continue to learn Year 1 common exception words.

What is the weather like in winter?

This term we will be looking at the weather in autumn and winter. We will be exploring our school grounds looking at signs of change. We will observe the changes that happen in the seasons and learn to identify deciduous and evergreen trees.

What was our life like in the past?

We will spend time looking at the history of the school and village. We will use artefacts to find out about life before we were born. We will focus on toys from the past.

Science

We will continue to look at our bodies and what the different body parts are for.

We will observe the changes that happen in autumn and winter and learn to identify deciduous and evergreen trees around Wingfield school's beautiful grounds.

Geography - We will learn the seven continents and the five oceans of the world. We will begin to explore human and physical features. We will look at and create simple maps.

Art - In Art we will continue to use the skills we practised in Term 1 to draw and create pieces of art work.

Music – In music this term we will focus on learning the songs for our Christmas performance.

PE - During Term 1 and 2 the children will explore fundamental ball skills such as throwing & catching, rolling, hitting a target, dribbling and kicking. Having control of a ball is a vital skill in numerous sports and we will develop feel, skill and efficiency before other constraints are added. Both hands and feet will be used to develop co-ordination with hands, eyes and feet.

PSHE - In PSHE we will thinking about why we are special and our strengths. We will also be looking at different family units and homes.

Computing - In computing we will develop our understanding of technology and the technology all around us.

Religion and Worldviews - We are learning about 'why is learning to do good deeds so important to Jewish people?'

History - In history we will create simple personal timelines and use sequencing words, such as **first, next, finally, then and after that,** which can be used to order information chronologically and to describe the passing of time.

Practical arrangements:

PE will take place every Friday. Please send your child to school in their PE kit. The best homework you can complete with your child is reading, so please **endeavour to read with your child for 10 minutes a day**. Other homework will be shared on SeeSaw. If you need a code to access SeeSaw please speak to your class teacher.
